Re: **NOTICE OF FAULT-OPPORTUNITY TO CURE** (Case # CR09-00928JF)

Dear Chief Financial Officer:

**NOTICE** is hereby given that it appears that you may have either mistakenly, inadvertently, or by oversight have yet to ledger the funding regarding the above-referred matters.

On or about January 8, 2010 a Disposition Hearing was held wherein the Undersigned was presented the original Indictment for inspection to enface the Undersigned's Bankers Acceptance i.e. signature of the Undersigned as Authorized Representative for the Secured Party Creditor over the Defendant to setoff, settle, close, and discharge all liabilities of the Defendant herein.

As the Chief Financial Officer of the UNITED STATES DISTRICT COURT OF CALIFORNIA, NORTHERN DIVISION SAN JOSE is it not your job in order to collect the funding in regards to the disposition of these cases. As such, at this time I have no indication that you have collected the funds, ledgered the funds for this account for setoff, settlement, and closure or informed either the court or the Undersigned of this ledgering. Failure to collect and ledger these funds and to inform the court and the Undersigned constitutes a fault with regard to the Undersigned's Banker's Acceptance and duties placed upon you as the Chief Financial Officer of this court. I am now giving you NOTICE of fault in regard to the above failure to ledger the account.

RICHARD W. WIEKING  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE

Failure to cure your fault shall constitute, as an operation of law, the FINAL admission of the facts that there is nothing wrong/improper with my tender offer (Bankers Acceptance enfaced on the original Indictment). Your failure to cure will constitute a stipulation that the consideration tendered by the undersigned to discharge the court accounting by setoff, settlement, and closure was proper and sufficient as to the form (as to the way the consideration was tendered to you), or to the substance of the consideration tendered for collection of the funds in the background, or to the amount of consideration to completely discharge the account(s). If you fail to setoff, settle, and close this matter within ten (10) days of the receipt of this notice or fail to respond in writing to this **NOTICE OF FAULT- OPPRTUNITY TO CURE** (hereinafter NOF/OTC) to correct by counterclaim as to why there is a problem, then you are consenting to the issuance of a CERTIFICATE OF PROTEST (hereinafter COP) in this matter. Your failure to timely respond to this NOF/OTC will be a further stipulation by you that the COP can be used as a valid and legal receipt, under the rules of evidence, in any civil or criminal proceeding, judicial or administrative, as evidence that the undersigned has met all legal and commercial obligations in behalf of the defendant's obligation in Case # CR09-00928JF, in UNITED STATES DISTRICT COURT OF CALIFORNIA, NORTHERN DIVISION SAN JOSE, to setoff, settle, close, and discharge all public and private obligations set forth therein, and is entitled to the issuance by the court therein an ORDER of discharge of all the defendant's liabilities and obligations therein.
